NAISER EXPEDITING

An Eye for Details

The logistics needs of tomorrow must follow established principles of safe transport, and maintain the personal service of the past. That's why your cartage company, Naiser Expediting, has been in business more than 20 years with continuous operations under the same owners. You get a person when you call Naiser Expediting, not a voice message or an automatic email. Our reliable, round-the-clock service means we are ready when you are.

In Motion for You

We are locally-owned and operated, so we know where to go and how to get it there – fast and cost-effectively.

We have clients not customers. Our flexibility regarding client requests, ensures that we will take care of your business, no matter how large or small the transaction. We represent you. You can depend on the Naiser Expediting qualified staff.

Rolling Forward

We are here to be an extension of your trustworthy team, and to seamlessly move freight wherever and whenever it needs to go. We handle all aspects of pickup and delivery; and we are TSA regulation-friendly. All types of products can be guided through to transport when placed in the hands of our capable staff at Naiser Expediting. We regularly handle large and small items such as pharmaceuticals, computer equipment, high-end electronics and biomedical devices..... even local trade show pickup and deliveries.

Safekeeping in the Warehouse

We are strategically located in the Midwest, a central point of distribution for many companies, and our secure warehouse space provides easy access to all forms of transportation. We can hand sort small boxes and bagged items, such as CDs and DVDs, as well as loose cartons, pallets, and truckloads. If it rolls or must be lifted by hand, we handle it safely, on budget, and on time. Naiser Expediting is the outsourced provider of choice in the area.

Value Added Services

Our warehouse on premise at Naiser Expediting can provide you with the sort and repackage services you require. We can provide fulfillment, bagging, repackaging, product consolidations, pick-pack, and labeling, for example. We work in an intimate atmosphere where our staff adheres to a high level of efficiency and accountability.

We serve you in the Metro Louisville, KY area and surrounding regions in and out of state, including Southern Indiana destinations!!!
